

Come Celebrate in the Park...Order Today

The GAZEBO IN THE PARK is constructed of steel and wood and is the focal point of our village park. The GAZEBO is available to area residents and organizations to enjoy concerts, reunions, weddings, youth meetings, and other social functions.

Landsaped with flowers, benches and surrounded by trees, the GAZEBO has become a place of pride for our area. The design and structure gives character and a distinct look to our park.

The nostalgic walkway is unique to its design for now and future generations.

Bricks can be engraved in memory of families, individuals, special events, and businesses.
